

Jim Prizmich

2008 Inductee

Born and raised in the Sacramento area, Jim played every brand of Baseball and Softball there is. He joined the League in the first year of its existence, and co-founded the “50 Hours of Baseball” event, and was part of the first two teams to participate in the World Series, bringing the championship home to Sacramento in 1989. He was also voted into the Greater Sacramento Softball Association Hall of Fame in 1990. He was an overpowering left-handed pitcher and hitter, and helped lead his team to several consecutive league championships. One of his home runs at Tempe Diablo Stadium was half way up the light tower when it went over the right-center field fence. His response to the question, “Are we having fun yet?” is always YES!
