Summer Edition #1

IMPORTANT REMINDERS

- | The Summer Season starts July 6. Good luck to all teams.
- | Final Rosters are due before the season starts. The earlier you get them done, the easier the lives of the commissioners and Rob Segura.
- | Labor Day Weekend - Best of the West Tourney in Woodland

Spring Playoff Results

In the 18-division playoff games, the Fire edged the Blue Jays and the A's squeaked past the Braves. In the championship game, the A's defeated the Fire and won their second consecutive championship. All three games were extremely competitive and exciting to watch.

Over in the 35-division, the Brewers beat the Cardinals and the Sacramento Giants topped the Indians. In the championship game, the Brewers defeated the Sacramento Giants.

Congratulations to both the A's and Brewers!

Need a Player?

There are tons of players on the player pool looking for a team. Go to <http://smsbl.com/managers.html> On the right of the screen you'll see where to click to access the player pool. Contact Dave Whitesel or Rob Segura for the password. Remember to let Dave know after you've picked up a player so he can be removed from the list.

Last season for Metal Bats

After a very successful trial spring season with wood bats for the 18-division, the Board decided to let the younger division enjoy one more season with metal bats before switching permanently to wood bats. Starting next spring, everyone will be using only woodies.

See the next page for Championship game pics and a batting cage coupon!
